Tumuaki / Principal's Column

*Kia ora e ngā whānau me ngā hoa o te Kura Tuatahi of Goodwood.
Greetings to all family and friends of Goodwood School.*

Tomorrow marks the end of another wonderful term of life and learning at Goodwood School. Our explorers, team and community have strived to make the most of each and every opportunity. We can look back on some fantastic opportunities for growth and connection.

Among many highlights, our Matariki breakfast stood out with so many of us joining together around the fires and under the stars to celebrate Te Tau Hou Māori, the Māori New Year.

Our 130 strong kapa haka made us proud, with a stirring performance at the 2023 festival, as did our 140 junior explorers who visited Cambridge Fire Station early this week, showing curiosity and GRIT.

Each day our explorers strive to improve. The quality of explorers' writing in particular is shining through. This is due, in no small part, to the dedication of our teaching teams as they strengthen their knowledge of scope and sequence in a structured literacy framework.

Word of the great work at Goodwood School continues to spread. Following our excellent Education Review Office (ERO) report, we have welcomed teachers from a number of schools who have been excited to visit and hear our ongoing journey. We also had an approach from a major political party who wanted to launch their education strategy at our school as they had heard of the quality of the programmes at Goodwood School.

A special congratulation to all of those who have shone during three recent events. Our cross country championships, speech competition and GGT, have all allowed for maximum participation as explorers showed GRIT, stepped forward and have taken part. In each event there has been the opportunity to extend those with a passion in the sporting, academic or arts areas by progressing to the relevant finals or interschool events.

Thanks to our amazing teaching team who facilitate these opportunities.

Term four will be another ten weeks of focus on learning and acceleration across the curriculum. We also have many more wonderful events planned. These include our Year 3 and 4 camps which were postponed from term one due to Cyclone Gabrielle. Ag Day is another eagerly anticipated event along with athletics, swimming, prize giving and our Year 6 dinner. We look forward to working in partnership with you as we stride excitedly into the summer term.

Ngā mihi

David and your Goodwood Team

Pōtae/hat in Term whā/four

Goodwood School aims to:

- protect our students and staff from excessive exposure to UVR while they are at school, or involved with off-site school activities, including sports and Education Outside the Classroom (EOTC)
- educate the whole school community about the harmful effects of excessive exposure to UVR, and how to keep themselves safe.

We inform and remind all staff, parents, and other members of the school community (such as coaches, volunteers, etc) about our sun protection policy.

We educate our students about sun safety by communicating age-appropriate information about sun exposure and protection. We provide this information annually in class programmes for every year level.

Timing of the policy

Our sun protection policy applies between 10 am and 4 pm, during terms 1 and 4.

Students are to wear wide brimmed hats. Goodwood hats are available at the school office for \$17.

Staff are encouraged to model appropriate sunsafe behaviour by wearing sun protective hats and clothing, sunscreen, and making use of shade whenever possible. Parents are also encouraged to wear sunhats and be positive role models when picking up children or participating in school activities.

All Goodwood School policies can be found at:

www.schooldocs.co.nz . Search for "Goodwood School" and "enter". When prompted enter goodwood (all lower case) as the username and explore (all lower case) as the password.

Explorers were buzzing around our kura, participating in the active revitalisation of Te Reo Māori. Congratulations to **Kensington** for taking out the week in house points!

Our whānau challenge was to rebrand a whānau food favourite, and it was awesome to see the mahi being put in. Miss V had a difficult time choosing one rebrand, so she went with four! Caleb, Grace, and Maya Rosenberg whānau with Teddy Iti. Wes Rowdon and whānau with Te Inu Tiakarete. John Ryan with Toi Toi Tiakarete Aihikirīmi. Mila Ricketts with Kai ko Hūhi.

Kia kaha te reo Māori!

Goodwood News

What an amazing day as 130 year 0,1 and 2 explorers visited the Cambridge Fire Station. A shout out to our curious and caring explorers and our hard working teaching team for a great trip. A second shout out to the wonderful fire fighters who serve our community with huge dedication. A final shout out to the team from [Karapiro Charters & Tours](#) for getting us there and back safely.
