Tumuaki / Principal's Column

Kia ora e ngā whānau me ngā hoa o te Kura Tuatahi of Goodwood.

This past week has been a special week as a nation has mourned and celebrated the life and life's work of Kīngi Tuheitia. Some of the team at Goodwood visited Tūrangawaewae on Tuesday to offer our awahi/support, respect and condolences for Kīngi Tuheitia, his whānau and to Ngāti Hauā and Ngāti Koroki Kahukura.

This morning Rangatira from across the motu chose Nga Wai Hono i te Po as their Queen. In a ceremony known as Te Whakawahinga (the rising up), Kīngi Tuheitia's youngest child and only daughter became our eighth Māori monarch.

Throughout the week people from across Aotearoa and the world have paid tribute to Kīngi Tuheitia and his mahi to promote kotahitanga. Tributes have highlighted his dedication to te ao Māori and unwavering belief that creating environments where we can all come together will benefit everyone.

In 2024, with the connectedness at a global level, the world has watched with interest to see how Aotearoa comes together and now how we move forward with kotahitanga, grounded in the essence of inclusion and working collectively for collective outcomes for all.

Explorers have shown curiosity and interest over the week with a range of questions and noticing. Their knowledge of Kīngitanga is growing, especially after last term's inquiry, so do ask them about their understanding of this moment in history.

Noho ora mai

Te Oko Horoi - celebrations

On Thursday 19 September Ngāti Koroki Kahukura and Ngāti Hauā will lead our 2024 Te Oko Horoi celebration at Lake Te Kō Utu. This is a place of cultural significance, one which carries a legacy dating back to the time of Kingi Tāwhiao, the second Māori King.

You are warmly invited to join with our Mana Whenua in Pai Mārire, karakia, waiata and the story of Te Oko Horoi and Te Kō Utu and its significance.

Aakonga / children, kaiako / teachers, kura leaders, whānau / families and community are invited to attend the ceremony.

The ceremony begins at 7.00 am sharp and will be followed by refreshments.

This event will proceed rain or shine.

Parking will be limited.

Goodwood School can transport explorers and whānau on a bus leaving Goodwood at 6.30 am

The bus is expected to be back at Goodwood by 8.30 am.

We will have limited staff attending

Year 1 and 2 explorers may attend if accompanied by a parent / caregiver

Year 3 to 6 explorers can be supervised by our staff team or their parents / caregivers

Please RSVP by completing [this form](#) to book your place on the bus by this Thursday 12 September.

Te Wiki o te reo Māori

We are looking forward to celebrating Te Wiki o te reo Māori with the rest of Aotearoa from the 14th - 21st of September. This falls during wiki iwa (week 9) of this Term.

Māori language week has been celebrated each year since 1975. Aotearoa is revitalising the māori language and a part of this is celebrating our successes and promoting reo. We encourage you to help us support and promote our national language.

It is simple to support and promote the language, even for beginners. Try making 'Kia ora' your first choice of greeting to everyone you speak to.

Kia māhorahora te reo – let's make it seen, let's make it heard.

Our explorers and kaiako will be participating in daily wero/challenges to grow our knowledge and language.

Whānau wero/challenge - Kia Kaha te Reo Māori - Poster

You will see posters dotted around kura in wiki 9 to support the movement of Māori language week. Your challenge for 2024 is to create your own poster including the kupu/words 'Kia Kaha te Reo Māori'. You can do this digitally or on paper.

Please submit your poster entry by **Wednesday the 18 September** to Whaea Bailey in Rūma Kea or email it through to bailey@goodwood.school.nz. The winning poster will feature in our newsletter AND win your explorer an impressive number of house points.

Cross Country - results

Thank you for supporting our recent school cross country. This day was a way for explorers to celebrate the progress they have made in their running journey and also provide a pathway for those wishing to move onto interschool events.

Those explorers taking part in interschools have been contacted.

Pick up - cars, carparks and yellow lines

This is a friendly reminder about cars, carparks and yellow lines at pick up time.

Like many many kura across Aotearoa pick up time is a short yet busy time in carparks and on roads near schools.

We ask that you park legally and responsibly when picking up explorers.

Explorers are not to cross car parks or roads without an adult present.

A great time to collect your explorer is around 3:10pm - you will often find a great park at this time and traffic congestion has subsided.

Spare Clothes:

We are very short of leggings for age 4-6. If you have any that your child no longer wears we would be happy to take them for our spare clothes box.

Good News Goodwood

At Sanctuary Maungatautari Mountain our explorers experienced the forest and wetlands and all the creatures that live there. They left with more questions, ideas and thoughts on how to support this mahi.

It was such a privilege to have Lucy Spoors speak to our kura.

Lucy spoke about her love of all sports, her goal to be in the Olympics, her whānau, her teammates, her commitment to train, train, train and the life of an athlete.

Thank you Lucy - we appreciate you giving your time to inspire us.

Rūma Tieke and Weka spent some time together as buddy classes - working on some collaborative literacy and art activities.

Some tuakana teina mahi alongside each other... a great way to end another awesome wiki/week at Goodwood.

Donate

Your kind donations ensure we can keep providing for our riders in the best possible way. Whilst each ride contributes to their therapy session, this is not why they can cover all the costs for such specialist care. When you donate, your gift helps support the expert team that works right alongside our riders – from the RDA coaches to the volunteers to the most important, the RDA horses.

Volunteer

Volunteers are the backbone of the RDA. Without volunteers we simply cannot run. Our volunteers come from varied backgrounds, from little or no experience with horses, to owning their own and competing. We provide ongoing, on-the-job training and offer volunteer training courses which cover skills from preparing the horses for riding, to side working and assisting during riding sessions.

Become a friend

By becoming a Friend of RDA and joining our Friendship circle, your support will contribute to improving our facilities so that we can gain more specialist therapy horses, allowing us to reach more riders than ever before.
