Tumuaki / Principal's Column

Kia ora e ngā whānau me ngā hoa o te Kura Tuatahi of Goodwood.

Wow - what a term! This is our last newsletter for term toru/three. Explorers have taken up the challenge this term of our school vision - to be curious, connected and caring explorers who make a difference. To achieve this it does take some planning though. The Goodwood team have ensured that all curriculum areas have been planned to provide challenge and learning for explorers. This has included some EOTC trips for every class - in fact we think we have kept the local bus companies in business this term! The team have also ensured that daily literacy and numeracy lessons happen, giving every explorer the opportunity to make at least a years progress in the year.

As the term concludes, so does my time as acting principal. It has been a blast to work alongside explorers, team and community this term, thank you. Mr Graham has thoroughly enjoyed his sabbatical and will share his findings and adventures with you next term. He is very much looking forward to being back at kura.

Term whā/four will bring more opportunities for explorers. We will share a back to school notice prior to the term starting to help you support your explorer.

Noho ora mai
Marsha and your Goodwood Team

Happy September birthday to:

Georgie M, Iroquois R-P, Max F, Austin C, Ava B, Amelia P, Assif R-D, Isabelle G, Mirela S, Jack M, Brodie K, Anthony C, Oliver S, Max D, Piper J, Ivan G, Owen P, Hayley S, Benjamin D, Bailey W, Sienna T, Isabella W, Isla M, Shellef R-D, Phoebe P, Charlie T, Oscar H, Frankie I, Jackson B, Maddie R, Zoe L, Hugo K and Joshua N.

School App - have you downloaded?

All current information is available on our school calendar at...[GOODWOOD SCHOOL CALENDAR](#) and are also available on our school app for [Android](#) or [Apple](#) at present we have over 2000 downloads.

Free Cookie Competition

(the answer is somewhere in this newsletter)

How much does a Goodwood School hat cost?

Bring your answer on a named piece of paper to the office by 3.00pm Tuesday 24th September. One entry per explorer. All correct entries will go into a draw to win a free cookie time cookie!

The winner from the last newsletter is Noah P. The answer was Wednesday 18th September.

Calendar art

It's that time of year again when our explorers are busy creating some wonderful artwork that can then be made into the following:

- calendar - \$18.00
- diary - \$20.00
- cards - \$15.00
- mouse mat \$15.00
- notepads \$15.00.

We have some samples in the office if you would like to view. Calendar art is ordered online - further information about how and when will be shared early next term.

Admin area - weathertightness repair mahi/work...

We are looking forward to the administration block having some long overdue weathertightness work completed.

This Saturday the preparation begins. Scaffolding is going up outside the admin building main entrance. The area will be fenced off Monday after 9:30am. This means that the front doors of the office area will be **blocked off** for the final week of school.

The office will be open - EVERYONE will be able to access the office via the door inside the school grounds - see picture.

We will keep in touch with updates. Work is expected to be completed by the end of the holidays.

Ag Day - Thursday 17 October

This is being held on Thursday 17 October. While the lambs and calves are out in the field there will be competitions running in the hall - these are open to **ALL** explorers.

So.... get your creative mind working and make either or all of the following:

		
<p>Scarecrow</p>	<p>Bucket Garden</p>	<p>Miniature Farm</p>
<p><i>* pictures are indicative only and should not limit your imagination...</i></p>

Signing explorers in/out...

If you are dropping off or collecting explorers outside the usual drop off/pick up times - do sign your explorer/s in or out at the tari/office.

Term 4 - pōtae/hats required - sun protection

Goodwood School aims to:

- protect our students and staff from excessive exposure to UVR while they are at school, or involved with off-site school activities, including sports and Education Outside the Classroom (EOTC)
- educate the whole school community about the harmful effects of excessive exposure to UVR, and how to keep themselves safe.

We inform and remind all staff, parents, and other members of the school community (such as coaches, volunteers, etc) about our sun protection policy.

We educate our students about sun safety by communicating age-appropriate information about sun exposure and protection. We provide this information annually in class programmes for every year level.

Timing of the policy

Our sun protection policy applies between 10 am and 4 pm, during terms 1 and 4.

Students are to wear wide brimmed hats. Goodwood hats are available at the school office for \$20.

Staff are encouraged to model appropriate sunsafe behaviour by wearing sun protective hats and clothing, sunscreen, and making use of shade whenever possible. Parents are also encouraged to wear sunhats and be positive role models when picking up children or participating in school activities.

All Goodwood School policies can be found at:

www.schooldocs.co.nz . Search for "Goodwood School" and "enter". When prompted enter goodwood (all lower case) as the username and explore (all lower case) as the password.

A few words from the Board of Trustees

The Board has recently welcomed two new members to our ranks. We offer a warm welcome to Kat Rogers and Matthew Glover. They join us in replacement of Daz Hansen and James Ma. We extend our appreciation and thank both Daz and James for their contributions to Goodwood School.

We continue to monitor and take pride in the performance of our school. Some of the key work of the board is to monitor progress against our strategic objectives and the learning achievements of our explorers. We are progressing well in both of these areas. Recent PAT results show that our explorers have taken great strides in their learning this year to date. We have also received some great feedback about our explorers representing Goodwood with pride outside of the school grounds. Ka rawe explorers!

Te wiki o te reo Māori

Congratulations to Lacey (Kensington) and her whānau for the winning poster for te wiki o te reo Māori.

Explorers have been taking part in daily lunchtime challenges to learn more reo (and also earn house points). The house with the most points for te wiki o te reo Māori is: Kensington.

During this wiki explorers and kaiako have been celebrating te reo. One of the ways we have been amplifying reo is with 'wero/challenge walls' up in classes. The challenge has been to grow and use daily kupu/words and phrases - this will continue beyond this week...

Can you help? Christmas Parade - Sunday 1st Dec

Is there anyone out there who loves to create? Come and coordinate a Goodwood School entry for the Cambridge Christmas Parade to be held on Sunday the 1st of December. The overall theme this year is 'A Recycled Christmas'

Judging is based on:

- A **"Recycled Christmas"** theme
- aesthetic appeal, colour and vibrancy
- people involvement with the float in the Parade
- originality and novelty

If this sounds like you then please let Trudy in the office know.

Get to know the Goodwood Team

We asked one of our office team Trudy the following 10 questions:

1. *What is your favourite pastime?* **Reading**
2. *What is your favourite food?* **Mexican**
3. *What music do you like to listen to?* **All music from the 80's especially George Michael!**
4. *Are you a night owl or morning person?* **Morning person**
5. *Where is your favourite holiday spot?* **Pauanui Beach**
6. *What season do you like best?* **Summer**
7. *What is your 'go to' board game?* **Game of Life**
8. *What was your first Primary School?* **Gladstone Road Primary School, Scarborough, England**
9. *If you could have a superpower what would it be?* **Invisible**
10. *What is your favourite movie or book?* **Transformers and favourite book Remember Me by Lesley Pearce**

We will have another team member featured in the next edition!

Good News Goodwood

Our year 0-2 explorers have enjoyed exploring and learning about energy and movement on their trips to Exscite and working with Elaine at the Waikato Museum.

Congratulations to Olive and Josh who took part in the Cambridge Primary School' Speech Competition sponsored by Rotary Club of Cambridge.

Twenty one students between year 5-8 took part.

Olive and Josh were quality speeches amongst a talented group.

Olive was awarded Junior Commendation by the judges.

The hills were alive with the sound of music this week at lunchtime.

Thank you to Crystal's guitar students (55 of them) who performed for the school (and a large number of whānau) during lunchtime today.

Donate
Your kind donations ensure we can keep providing for our riders in the best possible way. Whilst each ride contributes to their therapy session, this is not why they can cover all the costs for such specialist care. When you donate, your gift helps support the expert team that works right alongside our riders – from the RDA coaches to the volunteers to the most important, the RDA horses.

Volunteer
Volunteers are the backbone of the RDA. Without volunteers we simply cannot run. Our volunteers come from varied backgrounds, from little or no experience with horses, to owning their own and competing. We provide ongoing, on-the-job training and offer volunteer training courses which cover skills from preparing the horses for riding, to side working and assisting during riding sessions.

Splash Polo Waikato

Waikato Water Polo is excited to present

Splash Polo

- Do you love being in the water?
- Do you enjoy making new friends?
- Do you like ball sports and want to try something in the water?
- Want to try something new?

Playing in the water is FUN and splash polo gives the players a great stepping stone to Water Polo.

Splash Polo is an easy way for all children to be active while trying something new.

It's a great sport for building water confidence, learning new ball skills, learning to swim and be safe around the water all while in a shallow pool.

The game is for primary aged children from Years 3 - 6

Splash Polo

is a beginners version of water polo for young kids wanting to get in the pool and have some fun, learning new skills and making new friends.
